

Communiqué

Fund raiser for an elementary school in Lao

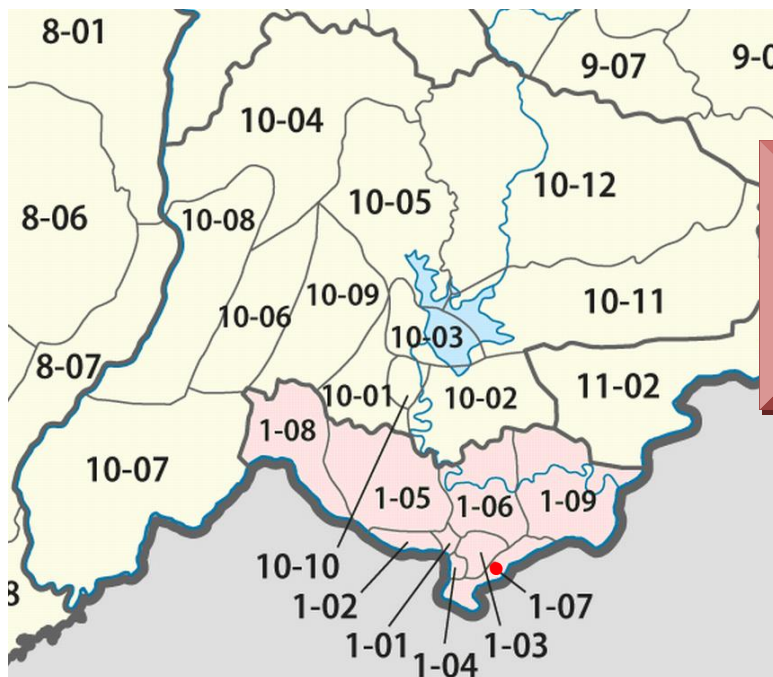

On February 18, 2015, a powerful storm hit Laos, devastating many homes and buildings. The Hadxaifong District is part of the regions most affected by the storm ([See video 1](#) – English and Laotian only). Furthermore, in this district, three schools, one of which is an elementary school, were completely destroyed ([See video 2](#) – English and Laotian only). In the light of the situation, the *Hadxaifong Sports and Soccer Team*, a community organization based in Quebec, has decided to amass funds in order to help rebuild the elementary school. As such, on April 4th 2015, the Team will organize a fund raising dinner at the following address: Salle St-Gilles, 226 Alouette street, Laval (Quebec). For more information on the event, we invite you to contact 514-709-2360, 514-651-1626 or 450-628-2545.

Giving the urgency of the situation, the *International Association for the Rights of Needy and Suffering Children (IARNSC)* would like to support this cause alongside the *Hadxaifong Sports and Soccer Team*. We remind you that the Team has more than once, generously contributed to the humanitarian work of the *IARNSC* in Lao. So it is with great pleasure and respect that the Association would like to give its support.

However, the Association does not currently have the necessary funds in its account. Indeed, the funds that were available have been used on the 2014-2015 projects (the report will be presented next April). It is why we are calling on the generosity of everyone for this special project. The Association will hand all the amassed donations during the April 4th fund raising event to the *Hadxaifong Sports and Soccer Team*.

For more information on how to donate, it is possible to contact us at 514-274-4953 or aideds@sympatico.ca. For more details on the school project, we invite you to communicate with Mr. Somphone Samonekeo (Vice-president and volunteer accountant for the *IARNSC* Association and volunteer member of the *Hadxaifong Sports and Soccer Team*) at 450-668-9521 or somphonesamonekeo@gmail.com.
